Hi Mike and Lisa,

CFAC plans to provide the public access to review the report electronically. Roux will be posting the electronic pdf on our website. Does the EPA and MDEQ plan to also post the pdf on their website(s)? If yes, can you please provide your website(s) where the pdf will be able to be accessed by the public?

Also as discussed, we will allow the public to send comments to EPA, MDEQ, and Roux. We plan to utilize your email addresses ([cirian.mike@epa.gov](mailto:cirian.mike@epa.gov) and [lidewitt@mt.gov](mailto:lidewitt@mt.gov)) as the locations where the comments should be directed.

Thanks.
